Sarnia and Wallaceburg

PRESENTS

SEXUAL HEALTH & REHABILITATION

Dr. Campbell completed his medical school training at Dalhousie University in Halifax, NS, then residency training in Urology at Western. He went on to complete a fellowship in men's health and reconstructive urology at Johns Hopkins University in Baltimore, MD, then a second fellowship in prosthetic surgery at Western University. He is currently completing his Masters in Public Health through the Johns Hopkins University Bloomberg School of Public Health with a focus in clinical trials and patient outcomes research.

Dr. Campbell is an Assistant Professor in the Department of Surgery, division of Urology at the Schulich School of Medicine and Dentistry, Western University. His urology practice is primarily focused on reconstructive urology, men's health and sexual dysfunction. His clinical research focuses on novel therapeutic options for treatment of erectile dysfunction and Peyronie's disease. Dr. Campbell has an interest in cancer survivorship, men's sexual health, and opioid reduction strategies.

Wednesday, November 6, 2024
140 Pine Valley Road, London ON
7:00 - 8:30 p.m.

Dr. Jeffrey Campbell
MD, FRCSC
